RUTLAND & BURLINGTON RAILROAD.

TRAINS LEAVE MIDDLEBURY:	
MOVING SOUTH.	10.45 A. M.
"	1.15 P. M.
"	5.10 P. M.
"	11.27 "

LOCAL AND STATE ITEMS.

Middlebury.

We publish in this issue the list of premiums awarded by the Addison County Agricultural Society, at its recent fair.

Orange County.

—Mr Ellidge Gerry, a graduate of Middlebury College and Andover Seminary, who has been preaching for two years past in Sterling Mass., was ordained as an Evangelist at West Randolph, Sept. 25th. Sermon and right hand of fellowship, by the Rev Dr Atkinson, of Portland, Oregon; ordaining prayer, by Rev Ammi Nichols, of Braintree; charge to the pastor by Rev S. Sparhawk, of Pittsfield. The candidate sustained a satisfactory examination, conducted by Rev D B Bradford, of Randolph, moderator of the council. Mr Gerry and wife sailed for Oregon, October 1st.

Rutland County.

—Wm Preston, of East Wallingford, committed suicide by hanging on Tuesday last.

—Gov. Page has appointed Capt. Samuel E. Burnham of Rutland as Secretary of Civil and Military Affairs.

BRANDON.—There is considerable sickness in Brandon. — Mr Daniel Woods, long a resident of the town, left with his family recently to take up his home in town. — The ground in front of the school house is being graded and ornamented. —The Farmers' and Mechanics' Club held weekly discussions on subjects of interest.

Washington County.

—President Roberts of Liberia College delivered the annual address before the State Colonization Society at Montpelier, on Thursday last.

—A soldier in Barre, Vt., lately experienced a change of heart. Before his conversion he had been an exception to his comrades in pronouncing for Seymour and Blair and the lay-breaders were amazed when the religious wits at his height to see the change "by Bay in Blue" hurried away his Seymour and Blair badge, evidently fearing that his personal piety was incomplete without purging himself of pedantry. In the same breath that he had turned from Seymour and Blair he had come out for Grant and Colfax.

—The Middlebury Y. M. C. Association meeting on Sunday evening was an interesting one. The delegates to the State Convention at Brattleboro gave an account of their observations when in attendance. The regular weekly meetings are held at the rooms of the Association, Tuesday evening.

Addison County.

—G H Scott, Esq. of Vergennes, has been appointed Register of Probate for New Haven district, in place of Meader, deceased.

VERMONT BAPTIST SOCIETY.—The sixteenth annual meeting of the Vermont Baptist Society was held in Montpelier, on Wednesday, October 16. The officers elected for the year are Hon. Eli Dillingham, President; Rev. W. H. Gilbert, Vice-President; Rev. A. L. Cooper, Treasurer; John A. Page, the following resolution was passed:

—The director of the Vermont Mutual Fire Insurance Company for Addison County, chosen at the fourth annual meeting, last week, is Loyal W Stowe, of New Haven. The old officers were reelected.

—Those wishing lumber will do well to observe the announcement of S G Tisdale, of Ripton, who will fill orders on short notice. Mr Tisdale has moved his store from the old stand at East Middlebury to Ripton.

—The Rev. Mr. Barnham, the Baptist Evangelist, has returned to Vergennes on the earnest invitation of Christian people of Vergennes, and specially the Young Men's Christian Association, to aid us in putting a copy of the New Testament into every household in the state, and in preventing indifference upon all these means of grace which are principally indicated.

—Vermont Methodist.—At the annual meeting of this society at Montpelier, last week, S S Richmond M. D., of Woodstock, was elected President, and L C Underhill, M. D., Secretary.

The next annual meeting is fixed at Brattleboro, on the first Wednesday and Thursday of June, 1869.

Wilmot County.

—Mr George Campbell, of Wilmotster, one of the largest sheep breeders in Vermont, sent some of his fine merino lambs and ewes to Australia last week.

Morecambe.

—The area of the State of Vermont is 99,534 square miles.

—More maple sugar is made in Vermont than in any other state except New York.

Leicester.

—There are sixty incorporated towns in the State. — Not long since, while Mr and Mrs H H Roberts, of Jerusalem, were away, two men broke into their house, drained a bottle of whisky, and made good their escape. Nothing more has been missed.

—Swiney & Lewis, of Vergennes, have sold their furniture factory to Wallace S. Holland.

—Rev. President Kitchell preached the sermon at the dedication of the new Congregational Church in Ferrisburgh, last Thursday.

—The subject of discussion at the Vergennes Lyceum, this evening, is whether a departure from truth is ever justifiable.

—Herrick Stevens has been elected Director of the Vergennes National Bank, in place of Wm. T. Parker, deceased.

Bennington County.

—A new style of wire fence is rapidly coming into use in Shaftsbury, which is said to be an effectual barrier against cattle, horses or sheep. It can be built for one-half of the expense of rail fence, and will last much longer.

—Arlington is growing rapidly in population and importance. Its manufacturing business already amounts to over half a million of dollars yearly.

—Mr J Bowker, of Sunderland, recently sustained severe injuries which resulted in his death, from the falling of a door. He was 88 years of age.

—The Lebanon Springs Railroad is expected to be completed and equipped for travel early in December.

—The shipments of marble from the East Dorset quarries average about twenty car loads per week.

Chittenden County.

—Senator Edmunds has presented the High School Association of Richmond with a belt for their new Academy.

—The Legislature will elect a successor to Senator Edmunds, to day. As it now appears, Mr. Edmunds will be re-elected without opposition.

—The Catholics of Island Pond have purchased a fine bell for their church, at a cost of over \$350.

SPECIAL NOTICES.

EUROPEAN CELEBRITIES.
Brooks, the great Minister and Statesman of Prussia was created Ridways of Pils. (See letter from the Professors of the Prussian Medical College at Berlin.) Dr. Ridway's Almanac for 1868-9 has been published. — Dr. Ridway has long been engaged in all diseases of the joints, rheumatism, gout, sciatica, &c. in rheumatism, neuralgia, inflammation, sprains, strains, &c. — Dr. Ridway's pills are reduced in a few moments, and cured in a few hours. It will prevent the system against colds, &c. — Dr. Ridway's pills are good for all disorders of the stomach, liver, kidneys, &c. They tone the system while relieving the bowels from violent humors, and control the liver more readily than blue pills or any preparation of quick silver, or its salts or its oxides. Sold by Druggists and confectioners. See Dr. Ridway's Almanac for 1868.

—The Regulating Pill possesses the alternative, antidiabetic, and diuretic properties of mercury without any of its pernicious attributes. They are prepared in various concentrated strengths, and are as specific for a disorder of the stomach, liver, kidneys, &c. as any other pill.
